

**THE ANSON COUNTY BOARD OF COMMISSIONERS** convened for their regular monthly meeting on Tuesday, March 3, 2015 beginning at 6:00 P.M. in the board room, Suite 209 of the Anson County Government Center.

Commissioners present: Anna Baucom, Chair  
Ross Streater, Vice Chair  
Bobby Sikes  
Dr. Jim Sims  
Vancine Sturdivant  
Jarvis Woodburn

Staff members present: Bonnie M. Huntley, NCCCC Clerk to the Board  
Rita James, Data Processing  
Tiffany Randall, CPA, Finance Officer  
Jeff Waisner, Parks & Rec.

Others: Scott Forbes, County Attorney

Chairman Baucom called the meeting to **Order**, welcoming those present. Chairman Baucom noted that she read this last month and felt it bears repeating. Chairman Baucom then read the following by U. S. Senator Cory Bucker:

"Before you speak to me about your religion, first show it to me in how you treat other people; Before you tell me how much you love our God, show me how much you love all His children; Before you preach to me of your passion for your faith, teach me about it through your compassion for your neighbors. In the end, I'm not as interested in what you have to tell or sell as in how you choose to live and give."

Chairman Baucom asked that we be mindful of this and how we treat people as we go through this meeting to handle the business of Anson County.

**Approval of the Agenda by Commissioners:** Motion by Commissioner Sims, seconded by Commissioner Sikes, to approve. Motion carried unanimously.

**Appearances:**

**SGT. Tucker – Special Forces Robin Sage Exercise:** SGT. Tucker stated that it was a pleasure to be here to speak to what they would like to accomplish. SGT. Tucker stated that they were made aware of the vacancy of the old hospital building about eight weeks ago and they would like to conduct an exercise utilizing that building much like they did with the Tollison building and the City of Wadesboro. SGT. Tucker explained that their Special Forces students come out about every eight weeks in a community to conduct uncommission warfare exercises. SGT. Tucker noted this was

the largest uncommission warfare exercise in the world conducted by U. S. Special Forces every eight weeks in North Carolina. SGT. Tucker stated that they are in eighteen counties throughout North Carolina and they are as far north as Greensboro and as far east as Southern Pines. SGT. Tucker explained that they would like to conduct a direct action range on the hospital with simulated automatic fire and there would be no pyrotechnics just to keep the noise level down and minimize the effect on the populous. SGT. Tucker stated that he would be happy to answer any questions to alleviate any concerns with the exercise. Commissioner Sims asked if any would be conducted at night with SGT. Tucker answering not in the near term. SGT. Tucker explained that with the City of Wadesboro they conducted the exercise between 6:30 and 7:00 PM. SGT. Tucker noted that not everyone was at work but not everyone was home yet but it would not be late at night. Chairman Baucom asked a timeframe for conducting the exercise with SGT. Tucker answering if approved it would happen March 31<sup>st</sup>. Vice Chair Streater asked if they would be responsible for all liability with SGT. Tucker answering yes. SGT. Tucker explained that they assume all risk in regards to any role players or students they have under their control. SGT. Tucker stated that with the Wadesboro exercise they designated spectator areas to keep everyone away from what was happening. SGT. Tucker added that this eliminated civilian risk and as far as their people are concerned they assume all risk. Commissioner Sturdivant asked if this was with Green Berets with SGT. Tucker saying that U. S. Special Forces was most commonly referred to or known as Green Berets. Commissioner Sims commented that his Uncle was a Green Beret and voiced support for the group. SGT. Tucker voiced that the realism of the training was what contributes to making it authentic. Commissioner Woodburn asked the duration of the training with SGT. Tucker answering it would be March 31<sup>st</sup> and the exercise would last no more than one-half hour. SGT. Tucker shared that Wadesboro Police and Anson County deputies were on site at the Tollison building to block traffic. Chairman Baucom asked if they would do that again with this exercise with SGT. Tucker saying they would make every effort to make the same coordination's they had with the City of Wadesboro. SGT. Tucker added that he's heard since then that Wadesboro appreciated the level of coordination that went through the city with the local fire department, the police and the deputies. Chief Deputy Howell was in the audience and stated that they have three active members volunteering with SGT. Tucker, namely Shane Drake, Deputy Johnson and Deputy Jacobs and they will continue to do so as long as they are here. Chairman Baucom voiced that there were right many older people who live in close proximity and asked that they be considerate and don't scare them to death. SGT. Tucker stated that he was aware of the nursing facility directly behind the hospital. SGT. Tucker shared that they have a great deal of control over the specific areas they allow the students access to. SGT. Tucker stated that Ms. Huntley pointed out to him in their initial meeting that the kitchen area in the basement would need to be corded off from training as well as certain floors. SGT. Tucker stated that they were 100% flexible when it comes to things like this. Motion by Vice Chair Streater, seconded by Commissioner Sims, to approve the request. Commissioner Sikes asked if this was a onetime deal with SGT. Tucker saying they would like to continue using the facility. SGT. Tucker pointed out

that they were here every eight weeks and if it was possible they would like to continue using it as long as it is open and does not interfere with any other business. Commissioner Sikes referred to a letter handed out tonight that the firemen want to use it for training and felt if approved maybe they should be there at the same time. Chairman Baucom asked the clerk if they were aware of the paper work that needs to be completed with the clerk answering yes. Motion carried unanimously. SGT. Tucker stated that they preview the students where they tell you what their job is in Special Forces and showcase some of the equipment so if there is anything the county or community would like to see they could probably arrange it.

**Eddie Johnson – Replanting Airport Property:** Mr. Johnson shared that he recently did a timber sale at the airport property and there were some questions from last month's board meeting that they needed to ask him and he was here to answer any questions. County Attorney Forbes announced for board members that this was our county forester. Mr. Johnson stated that one of the questions was if there is any cost share assistance available and there is not because we are a government entity. Mr. Johnson shared that he was 100% sure the property needed to be replanted. Mr. Johnson pointed out that the cost was \$95 an acre and they will plant the best genetic trees possible. Mr. Johnson noted they were third generation and they do very well when planted and will outgrow the hardwoods. Vice Chair Streater asked the number of acres with Mr. Johnson answering seventy. Chairman Baucom asked what kind of trees would be planted with Mr. Johnson answering third generation loblolly pine. Commissioner Woodburn stated that he was trying to remember what we made off the sale and asked what would be the time frame to be able to do that again. Mr. Johnson stated they were running out of time to plant. Commissioner Woodburn stated that he was wondering when they could be harvested and asked if anyone remembers what we made off the sale. Chairman Baucom was of the thought it was \$96,000 with Mr. Johnson thinking that was right. Chairman Baucom stated that in fifteen years the board sitting here could expect to harvest. Commissioner Woodburn asked if it was likely this property could be sold thinking at one point we thought we would cut the timber and then see if we wanted to sell the property. County Attorney Forbes was of the opinion land sales with planted timber would sell for more money that if it was not. Commissioner Sikes felt the fifteen years would be more of a thinning operation with Mr. Johnson answering it would basically be getting your money back for replanting and may be little more. Chairman Baucom asked if the county purchased this property or was it part of the federal with Ms. James answering it was part of federal. Chairman Baucom asked if we actually have the ability to sell and make a profit off those lands with Ms. James pointing out there were limitations and boundaries because federal money is in there and we can't sell it without having to repay a lot of money. Chairman Baucom asked if she thought there was the potential for a problem when we harvest the trees and make money with Ms. James answering no. Ms. James stated that we have to have that buffer for the planes coming in so they don't get interference with timber and all. Ms. James added that we did budget to replant. Motion by Vice Chair

Streater, seconded by Commissioner Woodburn, to approve replanting the property. Motion carried unanimously.

**Public Addresses to the Board:** Chairman Baucom stated that no one had signed to speak and asked if anyone wanted to speak.

**Administrative Matters:**

**Advertisement for County Manager:** Chairman Baucom noted that the board needed to go through the process of identifying advertising for County Manager and felt the sooner the better. Chairman Baucom stated that in the mix of papers she handed out to board members earlier were samples sent by David Nicholson. Chairman Baucom stated that from the exercise board members did with David and Neil they want someone with at least a bachelor's degrees, more than five years' experience, oral skills, experience with finance and budget, board relationship, administrative ability and community presence. Chairman Baucom asked board members if they would like for her and the clerk to work on this and bring something back. Vice Chair Streater asked if we would discuss salary in the ad with Commissioner Woodburn feeling it should not be included. Commissioner Woodburn voiced that he liked the sample from Avery County. County Attorney Forbes asked if board members were thinking of using County Lines with Chairman Baucom answering yes and the NCACC website. Chairman Baucom felt they should look at the NACo website to see if we could afford to do that. Commissioner Sturdivant asked if we were having a closed session tonight with Chairman Baucom answering yes. Commissioner Sturdivant stated that she would like to make a suggestion to the board during closed session about our County Manager. Chairman Baucom again asked if board members would like for she and the clerk to work on an ad and bring it to them at the next meeting. Vice Chair Streater stated that he would like to wait until we hear from Commissioner Sturdivant.

**Set Date for Annual Meeting with Board of Education:** Vice Chair Streater asked if this was our year to host with Chairman Baucom answering yes. Chairman Baucom suggested March 17 or 24. Commissioner Sturdivant shared that the Board of Education holds their monthly meetings on the last Monday of each month. Commissioner Woodburn voiced that the 17<sup>th</sup> worked better for him. Chairman Baucom asked if this meeting started at 6 with everyone saying yes. Chairman Baucom shared that the clerk has asked Dr. Bennett if she would be in charge of the food and we were thinking of having it at Grace Center. Chairman Baucom shared that she and the clerk agree that it should be limited to this board, our clerk and attorney and their board, the superintendent, clerk and their attorney. The Clerk stated that she would like to have a couple of dates to present to them. Chairman Baucom noted the 17<sup>th</sup> was better for Commissioner Woodburn and the 24<sup>th</sup> was certainly an option and then mentioned the 31<sup>st</sup>. Commissioner Sturdivant stated that if Dr. Bennett was doing the food she would not be available on the 24<sup>th</sup> due to her volunteer luncheon. Commissioner Woodburn voiced that the 31<sup>st</sup> would work too. Vice Chair Streater asked when the board plans to meet to go over the budget to determine what to fund and what not to fund. Vice

Chair Streater felt we needed to have that meeting first. Chairman Baucom stated that we would not be giving them any money at this meeting. Vice Chair Streater stated that we would make no promises with Chairman Baucom saying we can't. Commissioner Woodburn stated that we just listen to what they say. Vice Chair Streater felt board members needed to meet with Rita and Tiffany to find out what funding looks like. Ms. James noted it was on the agenda to set a date for a planning retreat. Vice Chair Streater felt board members needed to do this meeting as soon as possible and asked Ms. James if she had any information with Ms. James answering no. Chairman Baucom felt it was a little too early and the most we could accomplish in a retreat setting would be to identify the things that we think we need to focus on and set our priorities. Commissioner Sikes voiced that the 31<sup>st</sup> was his wedding anniversary and the next day was April fool's day. After discussion, the dates presented for the meeting were March 17 or 31<sup>st</sup>.

**Date for NCACC Visit:** Chairman Baucom stated that representatives from the Association of County Commissioners want to visit us and asked board members when they want them to come. Vice Chair Streater asked if this was an all-day thing with Chairman Baucom saying just a fifteen to twenty minute visit. Chairman Baucom feels they should come when we have our planning session for nailing down the ad for the County Manager. Chairman Baucom asked the Clerk if she knew who was coming with the Clerk answering she did not and offered she had been corresponding with Elizabeth Floyd. Chairman Baucom offered that Elizabeth Floyd was their Rita James and Tiffany Randall. Commissioner Woodburn asked if she indicated the nature of the visit with the Clerk saying they wanted to come to thank the board for being a member in the Association and solicit any issues or ideas you may have. Chairman Baucom suggested they come to our next board meeting April 7<sup>th</sup>.

**Reschedule Planning Retreat:** Chairman Baucom stated that this meeting has been cancelled twice due to weather and asked board members to look at April 9<sup>th</sup>. Commissioner Woodburn felt a Saturday would work better as it has in the past. Commissioner Sikes asked if we had to wait until April with Chairman Baucom feeling we were running out of March. Commissioner Sikes felt March was just starting. Vice Chair Streater asked about the 14<sup>th</sup> with Commissioner Woodburn and Commissioner Sikes asking if that was the 14<sup>th</sup> of March or April. Chairman Baucom stated March. County Attorney Forbes asked if they were talking about March with Chairman Baucom saying it was not March 14<sup>th</sup> it was May 14<sup>th</sup>. Vice Chair Streater questioned May with Chairman Baucom saying it was March. Commissioner Sturdivant stated that on March 14<sup>th</sup> she would be attending the Lilesville Catfish stew. Chairman Baucom then asked about the 7<sup>th</sup> with the Clerk asking about the 24<sup>th</sup> of March. Chairman Baucom felt we could meet that evening with the Clerk saying she meant Saturday the 21<sup>st</sup>. Board members agreed to meet on the 21<sup>st</sup>. The Clerk asked if they wanted to start at 8:30 like normal with Chairman Baucom saying she would rather start at 10. After discussion board members agreed to hold their planning retreat on Saturday, March 21<sup>st</sup> beginning at 10 AM here in the board room.

**Date to Meet with Robert Prosser of Centralina COG:** Vice Chair Streater asked how much time he needed with Chairman Baucom feeling he didn't need more than fifteen minutes. Vice Chair Streater asked if they could meet with him on the 21<sup>st</sup> with Chairman Baucom saying she didn't know if he worked on Saturdays and asked if we could offer him the 21<sup>st</sup> and April 7<sup>th</sup>. All agreed.

**Date for the Presentation of the ACTS Facility Feasibility Study:** Chairman Baucom suggested doing this at the April 7<sup>th</sup> meeting. Chairman Baucom explained that this was their presentation to show board members what we looked at and how things look. Commissioner Woodburn asked if it would make sense to do it at the retreat with Chairman Baucom thinking the presentation would be about thirty minutes. Vice Chair Streater asked if any department heads would attend on the 21<sup>st</sup> and felt since we don't have a manager the board should meet with all department heads to look at their wish list. Chairman Baucom asked if we needed to meet with everybody or could we get them to send Bonnie or her a list of their top three priorities? Vice Chair Streater said that would work. Chairman Baucom felt that would give the board a good starting place of what we need to talk about. Chairman Baucom noted the study would be at the April 7<sup>th</sup>.

**Chairman's Report:** Chairman Baucom announced that South Piedmont Community College was having a Ready to Work Expo on March 10<sup>th</sup> from 9 AM – Noon at Lockhart-Taylor Center for job seekers and businesses looking for employees. Chairman Baucom felt it was really important to match up people who are looking for a job with people who are looking for employees. Chairman Baucom shared that she received notification that our quarter-cent sales tax will go into effect on April 1<sup>st</sup>. Chairman Baucom stated that there are two initiatives for Partnership for Children and referenced a chart she shared with board members showing the rate of teen pregnancy in Anson County and in North Carolina. Chairman Baucom pointed out that the rate has decreased but it is still a lot higher than the state. Chairman Baucom noted that these were young girls who were having children and one of the effects of that is you are not necessarily born knowing how to care for an infant and particularly if you are a young teenage mother. Chairman Baucom reference the handout from the Partnership that talks about the Nurse-Family Partnership in Anson County. Chairman Baucom explained that it is a joint effort by Montgomery and Anson counties to provide a registered nurse who will visit first time mothers starting with the pregnancy and continuing until the baby is two years old. Chairman Baucom felt the benefit to the county would be in improved care of the children and some relief and assistance for the parents. Chairman Baucom reminded board members that Commissioner Sturdivant was involved in the first two thousand days and one of the things they learned is that a child learns more in the first two thousand days than probably in the rest of its life. Chairman Baucom felt this would be a way to insure that the atmosphere and environment is conducive to learning. Chairman Baucom stated that the Partnership has asked the board for a letter of support. Elaine Scarborough of the Partnership gave each board member a packet of information. Motion by Commissioner Sturdivant, seconded by Vice Chair Streater, to

write the letter of support. Motion carried unanimously. Chairman Baucom added that Dr. Thompson was Chairman of the Partnership for Children and she knows this is a program that is close to his heart as well. Chairman Baucom shared that she met with Sheriff Reid last month and ended up on a tour of the whole facility. Chairman Baucom stated that in the handout she gave board members earlier is a report on the condition of the jail. Chairman Baucom noted this was not unusual as every time the inspectors come they find something and you know the jail gets rough treatment. Chairman Baucom commented that she knows they do the very best they can and they address the issues as they are pointed out to them. Chairman Baucom voiced that she would like to see us have a plan so we can get ahead of this so every time the inspector comes they don't find a bunch of things that have to be addressed at one time. Chairman Baucom added that the Sheriff indicated a need for additional office space and an improved way of storing evidence. Chairman Baucom asked board members to consider taking time to go by and see the Sheriff and let him show them what he is talking about. Vice Chair Streater was of the opinion Mr. Paxton put something in his budget last year for a study with Ms. James thinking he did request it but she did not think it was funded. Vice Chair Streater asked the amount he requested with Ms. James answering she did not know but she would look it up and email board members tomorrow. Vice Chair Streater feels the only way we'll be able to solve the jail issues is to go ahead and do the study. Chairman Baucom asked how often they inspect with Chief Deputy Howell answering twice a year. Chairman Baucom commented that we get written up twice a year with Vice Chair Streater feeling until we fund Mr. Paxton's request we will probably continue to be written up. Chairman Baucom noted that there would be a tornado exercise tomorrow and asked board members if they would be amenable for all county offices to participate. Vice Chair Streater felt they should because if something happened they would be involved. Board members agreed. Chairman Baucom stated that she would let Mr. Diggs know to include the county offices. Chairman Baucom noted it would be a simulation for responders and the people who might be affected. Vice Chair Streater wondered if the departments knew where to go if something were to happen with Commissioner Sturdivant wondering what they would do. Commissioner Sturdivant asked if an alarm would go off all over the county what would happen with no one knowing what Rodney had planned. Ms. Rywak shared that Rodney sent an email to department heads earlier in the week and she asked him to come by their office and tell them where a safe place was and he did. Ms. Rywak added that department heads have been given the opportunity for him to come by. Chairman Baucom asked board members if they had had any concerns from departments with Vice Chair Streater saying he had and it would be personnel for closed session. Commissioner Sturdivant stated that she met with all the board about a resolution for a citizen that died in her area, Pecolia Leak. Commissioner Sturdivant shared that Commissioner Smith had the body and felt Commissioner Sims may know her. Commissioner Sturdivant stated that she was the first African American nurse in Anson County. Commissioner Sturdivant asked the board to write a resolution for her. Chairman Baucom asked Commissioner Sturdivant to get the information to the clerk. Commissioner Sturdivant stated that today she met with Mr. Freeman at the Board of

Education and she had some free time before the meeting and took a semi-tour of the Emergency Services building. Commissioner Sturdivant commented that that was a great building.

Chairman Baucom called for a 10 minute break.

After the break, the next topic was the **Consent Agenda**. The Clerk reminded board members to include the Budget Amendment given them prior to the meeting for DSS. Chairman Baucom noted it was an additional fifty thousand dollars and change to Social Services. Chairman Baucom mentioned the Resolution for the Exchange of Property adding that last month they talked about one of our generators being someone else's property and we are swapping property with a Mr. Bennett. Motion by Commissioner Woodburn, seconded by Commissioner Sims, to approve the Consent Agenda. Motion carried unanimously.

**Minutes:** approved minutes dated January 6, 2015 and January 20, 2015 and closed session minutes of the same dates.
